UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION

AARON GREENSPAN,
Plaintiff,
v.
OMAR QAZI, SMICK ENTERPRISES, INC.,
ELON MUSK, and TESLA, INC.,
Defendants.

Case No. 3:20-cv-03426-JD

**DECLARATION OF AARON
GREENSPAN IN FURTHER
SUPPORT OF PLAINTIFF'S
APPLICATION FOR ENTRY OF
DEFAULT AGAINST OMAR
QAZI AND SMICK
ENTERPRISES, INC.**

I, Aaron Greenspan, declare as follows:

1. As Exhibit A, I have attached a true and correct copy of a July 16, 2020 post on Twitter that indicates that Defendant Omar Qazi controls the Twitter account @wholemarsblog, namely, that he referred to a known mug shot of Omar Qazi from a 2018 arrest for felony possession of a controlled substance (LSD) and misdemeanor possession of cannabis in Brevard County, Florida as "my photo" while using that account. The mug shot was at that time being used by a second Twitter account, @MisterAnon10.

2. As Exhibit B, I have attached true and correct copies of posts on the @wholemarsblog Twitter account dated July 3, 2020 comprising images of excerpts from the First Amended Complaint in this case and public discussion thereof.

3. As Exhibit C, I have attached a true and correct copy of the Digital Millennium Copyright Act Counter-Notice I received from Defendant Qazi on July 16, 2020, indicating that

1 he would accept service of process in a lawsuit concerning infringement of my copyrighted
2 work, *Authoritas: One Student's Harvard Admissions and the Foundation of the Facebook Era*
3 ("Authoritas").

4 4. Authoritas is at issue in the instant lawsuit as part of the First Amended
5 Complaint at ~~¶~~ 201-207. ECF No. 20.

6 5. On July 13, 2020, counsel for Defendants Qazi and Smick Enterprises, Inc.
7 offered to complete a form to waive service of process conditional on the lifting of default in this
8 case, which I declined. Counsel did not expressly state at any time that they were authorized to
9 accept service of process on anyone's behalf pursuant to Federal Rule of Civil Procedure 4.

10 6. Assuming that Defendant Qazi's statement about no longer residing at 2625 Hyde
11 Street in San Francisco is actually true, I am unaware of his current residential and/or work
12 address.

13 I declare under penalty of perjury under the laws of the United States that the above
14 statements are true and correct and that this declaration was executed on July 21, 2020 in San
15 Francisco, California.

Not exactly. Greenspan only ousted Omar for his anon account, which he was using to Harry's people, including Greenspan. Greenspan didn't share private information. Unlike Omar, who posted Greenspan email and phone number then told followers to harass him.

Please excuse my delayed response; I was informed over the weekend that your emails were not reaching my inbox, as explained in more detail below.

We do contest service as to Tesla. The packet of materials we received is attached. We are entitled to proper service, and it is irrelevant whether you or your process server is to blame for the improper service. We reserve rights on the purported service to Mr. Musk.

Your requests for waiver of service also were not effective. As a result of your frequent, unsolicited, and unsupported emails in the past to Mr. Musk and others at Tesla, Tesla's information security team had team blocked your emails from reaching individual Tesla employees as a nuisance. As a result, neither Mr. Musk, Mr. Prescott, nor I received your prior emails regarding this lawsuit. After reviewing the emails attached to your costs motion, I inquired with our information security team, who informed me of the block, retrieved copies of your recent emails, and forwarded them on for my review. In this circumstance, your email

The master researcher didn't realize that it was Omar's father's company?

I figured that out in a few minutes when I was looking Omar up before our livestream.

Why would you call his employer anyway?

34. The same day, still concerned about the danger posed to his family and others at the synagogues mentioned in the posts, Plaintiff attempted to contact Defendant Qazi by phone at his employer's office as determined by his LinkedIn profile, but was unable to reach him. Plaintiff then asked the receptionist to speak with a supervisor in Defendant Qazi's department. Plaintiff informed an unknown female employee that he had asked Defendant Qazi to stop and considered his conduct dangerous, harassing and libelous.

35. At the time, Plaintiff did not know that Defendant Qazi's "employer" was actually his father's company where Defendant Qazi appears to hold a vanity title. Plaintiff did not ask to speak with Defendant Qazi's father or any of his family members when he called. Plaintiff simply conveyed that Defendant Qazi's dangerous conduct should cease immediately, regardless

Greenspan gets the same spam/phishing phone calls we all get about once a month, and somehow thinks it's Omar.

And I think I'm paranoid.

36. The next day, on January 15, 2019 at 7:01 P.M. (all times herein are Pacific Time unless otherwise specified) Plaintiff received a harassing phone call from a blocked telephone number. The caller, who did not specify his name, was a man impersonating a service technician who initially only said he was calling from "the phone company." The anonymous caller then tried to ascertain Plaintiff's home address. Since the caller refused to identify "the phone

OMG - he took his hands off the steering wheel.

I've got a secret. I've done that. I don't even have a Tesla or any automatic steering.

And then that rascal Omar allegedly used a computer to look at a website.

RPV - nice digs Omar!

40. On August 2, 2019 at 11:24 P.M., via the @PlainSite Twitter account, Plaintiff accurately reported on a public video posted by Defendant Qazi on the @tesla_truth Twitter account purporting to advertise the features of Tesla's so-called "Autopilot" functionality, which requires that drivers keep their hands on the steering wheel. The video depicted Defendant Qazi driving through a red light on Autopilot without his hands on the steering wheel.

41. The next day, on August 3, 2019 starting at 7:49:32 A.M., an internet user with the DNS hostname ip72-203-123-36.oc.oc.net, representing an internet-connected device in or around Rancho Palos Verdes, California, accessed documents from Plaintiff's restraining order case, Case No. 18CH008067 in Santa Clara County Superior Court, hosted on PlainSite.

42. Defendant Qazi's parents live 0.1 miles from Rancho Palos Verdes, California.

Oh no, someone told a joke.

Remember Omar - In communism, a joke is only funny if everyone gets it.

43. Less than 20 minutes later, on August 3, 2019 at 8:07 A.M., the @tesla_truth Twitter account posted an altered and false version of Form CH-100 from Plaintiff's aforementioned restraining order case, replacing the "Person From Whom Protection Is Sought" with the name "Little Billy Watkins" and an age of "5" (referring to a fictional five-year-old child). The portion of the altered court document image posted also contained Plaintiff's phone number and fax number. Defendant Qazi posted the altered image alongside the text:

"BREAKING: Aaron Greenspan of Plainsite has been arrested after trying to beat up a group of kids in the playground after a failed child abduction. The kids ended up doing a number on him and now he has filed a restraining order against them. Should've known

Irrelevant detail about some guy who's not part of the lawsuit.

And Greenie reported something to the FBI.

Small chance the FBI had better things to do with their time. Probably. Not sure they do much really.

49. A similar anonymous fax from the same unknown fax number was reportedly sent to another critic of Tesla, Paul Huettner, in December 2018. That fax, with the same cover page style, reportedly contained a thinly veiled death threat aimed at Mr. Huettner. *See* https://twitter.com/Paul_M_Huettner/status/1075415917809541121. The fax cover page in that instance purported to be from "Elon Musk" with a message of, "Paul, Would you prefer to go first or would you prefer your family go first."

50. Plaintiff immediately reported the harassing text messages and pornographic fax to the Federal Bureau of Investigation ("FBI").

1

**Critical Enthusiasm** @WR4NYGov · 10m

After calling Omar's dad didn't work, and then calling the FBI didn't work, he calls Tesla's board to complain about Omar.

Someone seems like a heck of a whiner.

51. In light of these events, on August 7, 2019 at 3:27 P.M., Plaintiff e-mailed the Tesla Board of Directors, including Defendant Musk, with concerns about Defendant Tesla's relationship with Defendant Qazi. *See* Exhibit A. Plaintiff did not receive any response to this message from Defendant Musk or any Tesla Director or representative.
